About Active Energy Group:

Active Energy Group Plc (AIM: AEG.L) is a London Stock Exchange-listed international renewable energy business based upon forestry assets. Its model is focussed on capturing the entire forestry value chain through sourcing, utilising and commercialising assets, and setting a new standard in the sustainable management and optimisation of timber resources.

The Company is led by a highly technical and commercial team with the experience to execute its defined growth strategy and build its visibility, primarily as a London-listed timber opportunity with a revolutionary biomass fuel technology.
